

Dear Doctor:

Enclosed please find the documents and information you requested regarding Texas CHIP Dental Services. Texas CHIP provides medical and dental benefits to over 500,000 children in Texas whose family income is above the federal poverty level but who do not qualify for Medicaid and cannot afford private insurance.

Your office can help deserving children receive appropriate dental care by contracting as a CHIP network dentist. The dental benefits include diagnostic and preventive care as well as therapeutic services such as fillings, laboratory processed crowns, root canals and extractions. Benefits are payable only when the child is treated by a contracted dentist and payment will be made by Delta Dental directly to the treating dentist.

There is an annual maximum allowance that will apply to Texas CHIP dental benefits. Preventive benefits will have a \$250 maximum for a 12-month period. The annual maximum for therapeutic services will be administered in a three-tiered progressive approach based upon the number of years the patient has been enrolled in the program. The three tiers are:

- Tier I: Preventive services plus up to \$280 of therapeutic services.
- Tier II: Preventive services plus up to \$425 of therapeutic services.
- Tier III: Preventive services plus up to \$565 of therapeutic services.

Preventive or therapeutic services that are provided after the patient has exhausted the applicable annual maximum may be charged directly to the enrollee at the Delta Dental Customary Fee Schedule.

If you are interested in participating in this important program aiding the children of Texas, simply complete the enclosed Amendment to your Delta Dental Insurance Company Contracting Dentist Agreement and return it to:

Texas CHIP Dental Services
Delta Dental State Government Programs
P.O. Box 537014
Sacramento, CA 95853-7014

You can find additional information regarding participating in Texas CHIP Dental Services, including a copy of the Texas CHIP Provider Manual, on our website at <http://www.deltadentalins.com/tchip>.

We hope you will consider contracting as a dentist with this important program. Delta Dental looks forward to partnering with your office to help Texas children receive the dental care they deserve.

Sincerely,

DELTA DENTAL

**AMENDMENT TO DELTA DENTAL INSURANCE COMPANY
CONTRACTING DENTIST AGREEMENT
FOR
TEXAS CHIP Dental Services**

This amendment to the Contracting Dentist Agreement ("Amendment") between Delta Dental Insurance Company ("Delta Dental") and the contracting dentist or dental group whose name and signature appears below ("Contracting Dentist" or "Dentist") is intended to recite the terms of Delta Dental's contract with Dentist providing services under the Texas Children's Health Insurance Program ("CHIP").

1. **Recitals.** Delta Dental has been awarded a contract by the Texas Health and Human Service Commission ("HHSC") to provide dental benefits through a contracted network of Dentists to children who are enrolled ("Enrollees") in the Texas CHIP.
2. **Contracted Dentist's Obligations**
 - 2.1. Scope of Services. Dentist agrees to provide dentally appropriate Covered Dental Services, as defined in Delta Dental's CHIP Provider Manual and any updates thereto. The CHIP Provider Manual to be provided to Dentist by Delta Dental is incorporated herein by this reference as if it is set forth at length.
 - 2.2. Timely Treatment. Dentist shall ensure that Covered Dental Services are available in a manner that is both timely and appropriate for the patient's dental needs. Dentist agrees at a minimum to meet the standards for emergency, urgent, routine and follow up care as set forth in the CHIP Provider Manual.
 - 2.3. Enrollee Complaints and Grievances. Contracted Dentist shall cooperate with and abide by decisions arising from the Enrollee Complaint and Grievance Procedures established by Delta Dental pursuant to HHSC requirements and as set forth in the CHIP Provider Manual.
 - 2.4. Quality Management. Dentist shall comply with the standards and requirements of the Quality Management Program as established by Delta Dental in accordance with HHSC requirements and as set forth in the CHIP Provider Manual. The Quality Management Program shall include but not be limited to policies and procedures for credentialing, recredentialing, dental office audits, and peer review.
 - 2.5. Approvals. Dentist must submit all patient dental claim forms according to the requirements set forth in the CHIP Provider Manual. All fee-for-service payments shall be subject to Delta Dental's review and approval of services provided as being within the scope of Covered Dental Services and dental necessity according to criteria set forth in the CHIP Provider Manual.
 - 2.6. Audit or Investigation. Dentist understands and agrees that the acceptance of payments under this contract acts as acceptance of the authority of the State Auditor's Office ("SAO"), or any successor agency, to conduct an investigation in connection with those payments. Contracted Dentist further agrees to cooperate fully with the SAO or its successor in the conduct of the audit or investigation, including providing all records requested.
 - 2.7. Provider Directory. Dentist agrees that Delta Dental may include Dentist's name in the directory of CHIP contracting dentists which shall be distributed to CHIP Enrollees.
3. **Delta Dental's Obligations**
 - 3.1. Delta Dental shall perform or contract for those administrative services required by HHSC and the CHIP.
 - 3.2. Delta Dental shall confirm eligibility and authorize Covered Dental Services as set forth in the CHIP Provider Manual.
 - 3.3. Delta Dental shall compensate Dentist for Covered Dental Services provided to Enrollees in the amounts set forth in the Fee Schedule included in the CHIP Provider Manual. Delta Dental's Customary Fee Schedule shall only apply to Enrollees for non-covered services and services that exceed the CHIP dental benefits.
4. **Miscellaneous Provisions**
 - 4.1. The terms and conditions of this Amendment shall apply only to those Enrollees in the CHIP and shall not affect patients under other group dental contracts with Delta Dental. Except as amended herein, the Contracting Dentist Agreement, as amended, between Dentist and Delta Dental remains in full force and effect.
 - 4.2. This Amendment shall be governed, construed and enforced in accordance with the laws of the State of Texas. Any provisions required to be included in this Amendment by state or federal law or by government agencies with jurisdiction over Delta Dental shall bind Delta Dental and Dentist whether or not expressly provided in this Amendment.
 - 4.3. Dentist may terminate this Amendment at any time by giving 30 days written notice to Delta Dental. For a period of one year following termination, Dentist shall advise patients who are eligible under the CHIP that he/she is no longer a contracted dentist. If Dentist fails to advise any such patient, Dentist agrees to be bound to all terms of this Amendment including but not limited to the limitations of fees applicable while this Amendment had been in effect.
 - 4.4. Delta Dental may terminate this Amendment by written notice at any time, without cause.

In witness whereof, the undersigned have executed this Amendment to be effective as of the Contract Effective Date written below:

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Social security number									

or

Employer identification number									

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Sign Here	Signature of U.S. person ▶	Date ▶
------------------	----------------------------	--------

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your social security card. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Limited liability company (LLC). If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

- 14. A middleman known in the investment community as a nominee or custodian, or
- 15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .

Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt recipients 1 through 7 ²

¹See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.socialsecurity.gov/online/ss-5.pdf. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses/ and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.
